Dear Alan,

Congratulations to you and your team on achieving the Platinum Level 2009 1st Half Year Global Quality Award!

The Customer Satisfaction Task Team would like to take this opportunity to recognize the quality of your team is achieving and emphasize the importance of continuing to focus on exceeding customer's expectations. Consistent performance – no spills or downtimes, zero parts per million (PPM) and zero customer complaints, both internally to Delphi customers *and* to external customers – is outstanding and an acknowledgement of your commitment to quality and continuous improvement. Forty Seven sites have achieved the 1st half year platinum level award. Your continued performance will maintain customer confidence in Delphi as a supplier they can rely on.

Our entire company is working hard to maintain zero tolerance for customer disruptions, complaints and rejections and your plant is a wonderful example of this practice. Please convey our congratulations to your entire team. Congratulations on a job well done!
